NEW PRODUCTS: TEST INSTRUMENTS FROM 

Multimeters

- Rugged compact design with protective boot
- Bar graph display
- Easily check flame safeguard with high resolution μ A ranges
- Temperature is measured through input jacks
- Includes batteries, leads, alligator clips, K-type thermocouple with input jack adapter and zippered canvas pouch
- Two-year limited warranty

Electrical Testers

- Solid state design for safer testing than solenoid testers
- Low impedance to reduce false readings
- Indicates voltage without battery
- Voltage indicated by lights, vibration and sound
- Two-year limited warranty

ORDER#	MFG#	DESCRIPTION	LIST EACH
H27-257	ET100	ELECTRICAL TESTER	\$65.00
H27-258	ET200	ELECTRICAL TESTER WITH CONTINUITY	85.00

Circuit Breaker Finder

- Fully automatic with flashing arrow indicator for easy identification
- 90 - 120V operation
- Transmitter distance up to 1000'
- Powered by 9V battery (not included)
- Two-year limited warranty

ORDER#	MFG#	LIST EACH
H27-259	ET300	\$89.00

Digital Temperature Loggers

- Real time logging up to 9,999 data points
- IP67 rating for dust/waterproof operation
- Protective boot with tilt stand accepts included magnetic hanger strap
- Includes batteries, thermocouples, magnetic hanger strap and USB power adapter
- Two-year limited warranty
